Carl Martin\*

"I have served 18 years as a volunteer director on your credit union board of directors. Currently I am serving as chairman of the board of Capitol View Credit Union, having been elected by the directors to serve members in that capacity. During the last eighteen years we have seen slow steady growth for your credit union. We were able to have slow growth even during the downturn in 2008. We have added several member friendly services during my tenure. For 36 years I was a state employee working as an Information Technology Specialist with Iowa Workforce Development. I have now been retired for over 4 years. I would like to continue to serve on your board and thank you for your support in advance."

Matt McCormick\*

"I grew up in Des Moines and have lived here my whole life. I attended the University of Iowa where I graduated with a double major in Management and Marketing in 2006. After graduation, I began work as an account manager at a West Des Moines law firm. Outside of work, I established many small investment companies for myself and by partnering with others. I also have invested in real estate and enjoy working to improve and manage properties. Capitol View Credit Union helped me buy my first home as well as finance many of my entrepreneurial endeavors. I have served on the audit committee for Capitol View since 2016. I am excited to have the opportunity to be more involved with the credit union that has helped me over the years."

Charles Hammack

"My wife, Beth, and I have three adult children. We have lived at our present location in Des Moines for almost nineteen years. Beth and I are involved in many different ways with our local church; committees and special events. For over twenty two years I have been employed by a local financial institution. One of my true passions is hunting. Being able to spend time with my family is something I cherish. In closing, if we are to serve others our lives must be full of integrity."

Justin Willier\*

"I have served on the board for the past 3 years as Secretary then Audit Committee Chair. I have enjoyed being part of the credit union family and it's decision making processes and I would like to continue to serve. I attended Indian Hills Community College in Ottumwa, IA and graduated in 1991 with an Associate Degree in Information Technology. I moved to Iowa shortly after graduation and worked for a couple insurance companies before coming to the State about 13 years ago. I now live in rural SE Polk County with my wife and two kids."
